Unit F	Levels 15 - 60
2 Bedroom / 2.5 Bath	
Area Under AC:	1,647 SF
Balcony:	264 SF
<b>Total :</b>	<b>1,911 SF</b>

Stated dimensions are measured to the exterior boundaries of the exterior walls and the centerline of the interior demising walls and, in fact, vary from the dimensions that would be determined by using the description and definition of the Unit set forth in the declaration (which generally only includes the interior airspace between the perimeter walls and excludes interior structural components). All dimensions are approximate, and all floor plans and development plans are subject to change.
